Welcome

This is the CRC.

Here is where I will have my appointment

Reception

We will go to reception to sign in.

There will be someone there to help us.

We will wait at reception for the therapist to get us.

The toilets are right beside us if I need to use them

The therapist will take us
on a short walk to the
appointment room

My appointment will take place in a room that could look like this

I will meet with the therapists. We will talk about things that I am good at, and things that may be difficult for me.

They are kind and friendly

60 min

The appointment should
take about 60 minutes

Halfway, its ok if I
need a break

When the appointment is over, we will leave & say goodbye for now!

Well done for attending your appointment!
