Golf Classic

CLONTARF GOLF CLUB

**September
29th 2017**

The Golf Classic will help to provide funds to purchase and install two wheelchair accessible swings in the playgrounds of our schools in Clontarf and Scoil Mochua in Clondalkin.

Many of the children who attend CRC schools have special needs and use a wheelchair which means that they cannot experience having fun on a swing the way most children can.

Having a wheelchair swing in the playgrounds of our two schools will provide hours of safe fun for the children in our Schools in Clontarf and Clondalkin, as well as over 3,500 children who regularly visit the CRC for clinical appointments.
